JW COURSE DESCRIPTIONS—WINTER 2019

We are approved for continuing education credits for North Dakota and Wisconsin. For WI please call the JATC office after you've completed class and we will submit it. For ND, sign-in's will be available the night of class.

We have had numerous journeyman who have not been able to take jobs with various contractors because they have not taken classes that are mandatory for certain jobs. Register now to ensure that you're not put in this situation. Some jobs require that you have OSHA 10, Code of Excellence, Core 4 and NFPA.

All of our classes are held at the Electrical Industry Building in the Training Center. Once you enter the training center there is a monitor in the hall indicating the room number for your class.

The door to the Electrical Industry Building automatically locks at 5:00 p.m. so make sure you are on time for class.

2017 NEC Code

Classes: If you miss a night of the 4 night code update class you can make-up the hours by attending a class taught by that same instructor that you missed.

You must attend all four instructors to get your 16 hours of credit.

Please call the JATC to make sure the schedule for the night you choose has not been changed (i.e class cancelled, instructors swapping nights, etc).

You do not have to register or pay for make-up nights.

It is mandatory that you receive 16 hours of training every two (2) years in order to renew your Minnesota State Electrical License. It is your responsibility to schedule a class before your license has to be renewed. The JATC OFFICE IS NOT RESPONSIBLE IF YOUR LICENSE EXPIRES. **If you have not been notified by the JATC two weeks prior to your requested class start date, it is your responsibility to contact our office.**

Classes fill up rapidly and class size is limited. If you delay it might not be possible to get the class of your choice. The JATC office along with the Electrical Licensing and Inspection Unit needs time to do the paperwork involved with crediting your class. Allow at least 2 weeks after class completion for all the paperwork to be submitted. We are dealing with a large membership—please plan ahead.

WEEKEND NEC UPGRADE CLASS:

If you register for a NEC Upgrade weekend class and do not show or cancel at least 5 days prior, you will not be reimbursed the \$20.00 intended for food.

INCLEMENT WEATHER:

Listen to WCCO for information regarding classes being cancelled. Any classes that are cancelled need to be made up at another time in order for you to receive state credit.

RECIPROCITY FOR 110 MEMBERS TAKING CLASSES AT LOCAL 292 AND LOCAL 343 JATC TRAINING CENTERS.

Local #110 members in good standing may take any class through Local #292 and Local #343. Each class you take requires a non-refundable fee. In addition, all participants are responsible for material and for book fees required for the classes and certification fees where they apply and are not included. To register for a class at the #292 training center contact the Minneapolis JATC (763) 497-0072 or visit their website at www.mplsjatc.org. To Register for a class with #343, contact Andy Toft at (507) 529-7721.
