WINTER 2020

### COVID 19 Face Mask and Social Distancing

On July 22, 2020, Governor Tim Walz issued Executive Order 20-81 requiring Minnesotans to wear a face covering in certain settings to prevent the spread of COVID-19. Face coverings are a simple barrier to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the face covering/mask coughs, sneezes or talks. Wearing a face covering/mask helps from spreading the virus to others. You should continue to social distance and use proper hand-washing practices. Face covering/masks should cover the nose and mouth completely.
